### THE LAST OF US™

The Last of Us is an upcoming survival horror action-adventure game developed by Naughty Dog. It was officially revealed on December 10, 2011 and is scheduled for a worldwide release on June 14, 2013! Survive an apocalypse on Earth in The Last of Us, exclusive title by Naughty Dog. Here, you will find abandoned cities reclaimed by nature. Here is a population decimated by a modern plague. Here, there are only survivors killing each other for food, weapons, or whatever they can get their hands on. Here, you find no hope. Joel, a brutal survivor, and Ellie, a brave young teenage girl who is wise beyond her years, must work together if they hope to survive their journey across the US.
